

Hi Team,

I am writing to express my interest in the Cloud Operations Engineer position at Creset. With 2.5 years of experience managing over 20 AWS accounts for high-profile clients such as Sony, LTC, and Hyundai, I am confident in my ability to contribute effectively to your team.

In my previous role as an AWS Cloud Engineer, I have honed my skills in designing and securing VPCs, deploying essential services like EC2, S3, ELB, and auto-scaling, and utilizing security tools such as IAM, CloudTrail, and CloudWatch. My hands-on experience has equipped me with a strong foundation in infrastructure management, SSL certificate configuration, and optimizing cloud environments for cost efficiency.

I am excited about the opportunity to bring my expertise in AWS cloud services to your team and contribute to the innovative projects at Creset.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and certifications align with the needs of your team. Please find my resume attached for your review.

Sincerely,

Reshma Shaik.
